MEMORANDUM FOR: Chief, Physical Security Division
FROM:
Chief, Industrial Security Branch
SUBJECT: Industrial Security Seminars

STAT

1. The first in a series of Industrial Security Seminars will be conducted on 21 and 22 January 1982. Additional seminars will be conducted at reasonably spaced intervals to accommodate approximately 150 contractor security representatives in groups of 30 to 35 at each session. The Industrial Security Branch is aware that several other government agencies have conducted similar Industrial Security Seminars or training programs in recent months. To prevent subjecting attendees to repetitious lectures, we propose to take advantage of our unique capabilities and utilize in-house speakers and panelists almost exclusively.

2. It is expected that each seminar will encompass two days of activity. Attached is the proposed final seminar agenda being circulated for any comment or suggested revision prior to distribution.
